## get profile (Need login)

---

get

/profile/get

```
{  
  "userid": "64245f13-b350-4e33-8038-8475811cc73f"
```

```
}
```

return

```
{
  "profile": [
    {
      "id": 1,
      "html": "<div blabla></div>",
      "url": "https://google.com"
    },
    {
      "id": 2,
      "html": "<div blabla></div>",
      "url": "https://google.com"
    }
  ],
  "status": "success"
}
```

or send

```
{
  "profileid":1
}
```

return

```
{
  "profile": {
    "id": 1,
    "html": "<div blabla></div>",
    "url": "https://google.com"
  },
  "status": "success"
}
```

#add profile(need login)

post

/profile/add

html and url could be null

```
{
  "userid": "c71512a7-e1a9-4fa0-b656-f44b464a976f",
  "html": "<div>test2</div>",
  "url": "www.google.com"
}
```

return

```
{
  "profile": {
    "id": 3,
    "html": "<div>test2</div>",
    "url": "www.google.com"
  },
  "user": {
    "id": "64245f13-b350-4e33-8038-8475811cc73f",
    "email": "admin",
    "password": "202cb962ac59075b964b07152d234b70",
    "profiles": [
      {
        "id": 1,
        "html": "<div blabla></div>",
        "url": "https://google.com"
      },
      {
        "id": 2,
        "html": "<div blabla></div>",
        "url": "https://google.com"
      },
      {
        "id": 3,
        "html": "<div>test2</div>",
        "url": null
      }
    ]
  },
  "status": "success"
}
```

## Update profile(Need login)

---

PUT

/profile/update

update every thing in profile. If you do not include html here, html will be set to null.

```
{
  "id": 3,
  "html": "<div>test211</div>",
  "url": null
}
```

return

```
{
  "profile": {
    "id": 3,
    "html": "<div>test211</div>",
    "url": null
  },
  "status": "success"
}
```

## Delete profile (Need login)

---

Delete

/profile/delete

```
{
  "id": 3
}
```

return

```
{
  "status": "success"
}
```

## Get share token(Need login)

---

get

/share/getlink

```
{
  "profileid": 1
}
```

return

```
{
  "now": "2020-03-19T11:49:51.288+0000",
  "expireddate": "2020-03-20T11:49:51.288+0000",
  "status": "success",
  "token":
    "eyJ0eXAiOiJKV1QiLCJhbGciOiJIUzI1NiJ9.eyJhdWQiOiJ0ZWZtMTJzaGFyZWxpbmsxIiwiaXNjaXNTg0NzA0OTkxfQ.New5jrLpNft03la0DjVqIK9jQtwmGsE9pEI_NuhLJ0Q"
}
```

## Get shared profile

---

get

<http://3.135.244.103:9090/share/getprofile?>
